PREFACE

The following rules are adopted by the Judges of the 6th Judicial District, pursuant to Rule 105 of the Rules of the Supreme Court of the State of Kansas. They are intended to supplement and not contravene the Rules of the Supreme Court and Kansas Statutes. The rules that follow numbered 1 through 29 are hereby adopted and effective immediately. Rules adopted in the future will bear the effective date. The rules will become effective upon the filing of the same with the Clerk of the Supreme Court.

These rules shall apply to all matters pending before any court in this district unless specifically superseded by statute.

All administrative rules of the 6th Judicial District of Kansas which are in effect immediately prior to the effective date of these rules are hereby repealed.

Any of the rules of this District may be modified by the presiding judge in any action as that judge shall deem necessary to meet emergencies or to avoid injustice or great hardship.

In these rules, wherever there is a reference to a section of the statute by number, it shall be deemed to be a reference to the Kansas Statutes Annotated or supplement or amendment thereto unless a different statute is indicated. Likewise, wherever there is a reference to a rule of the Supreme Court by number, it shall be deemed to be a reference to the Kansas Supreme Court Rules relating to District Court, as amended, unless a different rule is indicated.

Current copies of these rules will be on file in each office of the Clerk of the District Court in this District.

RULE 1 RULES OF DECORUM

Notwithstanding any other provisions the individual Judges may make pursuant to their inherent powers to maintain the order and dignity of the court, the following rules of decorum for matters heard in any court of this district are hereby adopted:

Spectators will not be permitted to consume food or beverage in the courtroom.

Spectators will not be permitted to read books, magazines, knit or engage in any other activity which interferes with giving attention to the court proceedings. Each individual judge may allow jurors to consume beverages while in the jury box.

No spectator, counsel or party shall carry a sign or display pins, buttons or other materials which is designed to communicate a position or message to others while a trial is

proceeding.

These rules shall apply to any building occupied or used by the Court, and to the environs of any such building. It shall be in effect at all times that judges or court personnel are present, whether or not court proceedings are actively under way.

All persons seeking entry to a courtroom are subject to search by the Sheriff or other officers designated by the Sheriff or by the court. Such search may include briefcases, parcels, purses or other containers carried by persons seeking entry to a courtroom.

Attorneys or *pro se* litigants shall rise when addressing the court, and shall make all statements to the court from the counsel table or the lectern facing the court. They shall not approach the bench except upon the permission of the court.

While questioning witnesses, attorneys or *pro se* litigants shall stand at the counsel table or at the lectern. They shall not approach the witness except with the court's permission. Only one attorney for each party may participate in the examination or cross-examination of a witness. When interrogating a witness, counsel shall not use first names, but shall always use surnames unless granted permission by the Court. The same attorney shall conduct the examination of and any objections pertaining to a witness.

When appearing in court, all attorneys shall be suitably attired.

No smoking shall be permitted within the courtroom at any time.

In keeping with the dignity and serious nature of court proceedings, proper attire is required in the courtrooms. Attorneys are responsible for ensuring that clients and witnesses comply with this dress code.

RULE 2 FILES AND RECORDS

Copy Expense. The official custodian of the court records shall be authorized to charge and require advance payment of a fee for providing access to or furnishing copies of records. Executive branch agencies such as the Department of Children and Families and local government agencies may be charged for access and copies on the same basis as members of the public. Photocopies of any papers in any non-confidential file may be obtained from the clerk at a cost of twenty-five (.25) cents per page (.50 cents in Miami County) and at no cost if waived by the judge. Certification by the clerk of

the clerk of such papers may be obtained at a cost of One Dollar (\$1.00) for every certification. Payment shall be in cash or by check and shall not be charged to costs.

Attorneys are prohibited from utilizing copy or facsimile equipment for personal use.

RULE 3 SURETIES AND BONDSMEN

Appearance and Bail Bonds, Approval of Surety. Any person proposing to write appearance and bail bonds under the authority or approval of a judge or this judicial district shall submit a written application to the Chief Judge specifying the following information: (1) the name of the applicant seeking authority; (2) the name of the company or agency, if any, under which the applicant is employed, working or doing business; (3) the applicants business mailing address and street address; (4) the applicant's business telephone number(s); and (5) the county or counties where approval is sought. Where applicable, the following additional information shall be provided: (1) name of insurance company surety; (2) State of Kansas Insurance Agent's License number; and (3) surety limits. **Written applications must be delivered to the Chief Judge between January 1 and April 1 of each year.**

Individuals proposing to write bonds on behalf of insurance companies shall attach to the application a certificate of insurance and of their authority to write bonds. Insurance companies must be authorized to do business in the State of Kansas.

Individuals writing bonds other than on behalf of an insurance company shall attach to the application a verified financial statement describing the property by which such surety proposes to justify and the encumbrances thereon, the number and amount of other bonds and undertakings for bail entered into by such surety and remaining undischarged obligations exceeding the total amount approved by the Chief Judge for that county.

Certificates of insurance and financial statements shall be renewed annually on April 15 of each year.

Upon compliance with the terms and conditions set out herein, a Certificate of the authority and qualifications of the individual authorized to write bonds will be issued to the applicant and to the Sheriff, Clerk of the District Court, and County Attorney in each county where said individual is authorized to write bonds.

The discretion of the sheriff of any county of this district to accept and approve

bonds pursuant to the authority of K.S.A. 22-2806, amendments thereto, and Kansas Supreme Court Rule No. 114, or other appropriate authority, shall not be affected by this Rule or any certificate issued pursuant to the terms of this Order.

Any bondsman failing to satisfy a bond forfeiture within thirty (30) days after judgment has been entered by the Court may be prohibited from writing any additional bond in the 6th Judicial District.

The Sheriff shall accord all bondsmen approved by the Chief Judge. The Chief Judge shall furnish the Clerk of the District Court, and the Sheriff, a list of approved professional bondsmen and sureties.

Nothing in this rule shall negate K.S.A. 22-2806, which provides that the appearance bond may be approved and accepted by the Clerk of the District Court wherein the action is pending or by the Sheriff of the said county, according to law.

A professional surety shall not be qualified, or may be disqualified to write bail bonds, if:

- (1) the amount of the surety's liabilities equal or exceed the value of the surety's assets;
- (2) the surety or an agent of the surety has committed or attempted to commit an act of moral turpitude or dishonesty; or
- (3) the surety or an agent of the surety has demonstrated a pattern of disruptive conduct toward the Court or its personnel.

On the motion of the County Attorney or on the Court's own motion, any professional surety previously qualified to write bail bonds shall be required to show cause why such surety and/or its agent should not be disqualified from writing bail bonds. Nothing in this rule shall prevent any Judge from declining to approve any bondsman or bond written by a bondsman approved to do business within this District.

Cash Bond. Cash bonds from persons against whom charges have not yet been filed will not be accepted by the court from any person, including the Sheriff, unless the information on the attached form (Appendix A) has been furnished to the court.

If charges have not been filed against the person or persons for whom the cash bond was posted within ninety (90) days from the date said cash bond was posted, it

shall be returned to the owner of the cash bond at the address furnished to the court.

It is the responsibility of the person posting the cash bond to inform the court of any change in his or her address or residence. The court will attempt to return the cash bond to the address furnished to the court. If the court is unable to do so because the address has changed, or the cash bond cannot be delivered by U.S. Mail, the cash bond will be paid over to the unclaimed property fund maintained by the Kansas State Treasurer.

Any person who posts a cash bond for another is hereby notified that the same may be applied to restitution, unpaid judgment, court appointed attorney fees, court costs and any other costs the court has or may assess against the person for whom the cash bond is posted. All persons posting cash bonds for others shall be so notified but proof of said notice is not necessary to apply the cash bond to these costs.

RULE 4 MEDIA COORDINATOR

The District Judge of Division Two (2) shall maintain his or her chambers in Mound City and the District Judge of Division Three (3) shall maintain his or her chambers in Fort Scott. The District Judge of Division Four (4) shall maintain his or her chambers in Paola.

The resident District Judge of each county shall be responsible for all the assignments and hearing of all cases within that county, subject to approval of the Chief Judge. The Chief Judge will maintain ultimate authority to assign and hear cases as provided in Supreme Court Rule 107.

RULE 6
CONSOLIDATIONS AND DISMISSALS

Consolidation. Cases appropriate for consolidation other than protection actions and corresponding paternity/divorce actions shall be consolidated into the lowest number case unless otherwise ordered by the Chief Judge. When a case with a higher number is consolidated with a case having a lower number, the judge assigned to the case with the higher number shall order the consolidation after conferring with the judge with the lower number case, if such case is in another division.

In the event consolidation of a protective action and a corresponding paternity/divorce action is deemed appropriate, the protective action shall be merged into the paternity/divorce action, without regard to which action bears the higher case number.

When cases are filed under two different Chapters (60-61-59-38) the judge shall notify in writing the judge succeeding to the case.

Any case dismissed and re-filed shall be transferred to the same division to which it was previously assigned. (See Supreme Court Rule 107 and K.S.A. 60-242(a).)

Dismissal for lack of prosecution: Periodically at such times as the assigned judge may deem appropriate, or at the suggestion of the Clerk, the judge may notify counsel of cases subject to dismissal for want of prosecution. Notification will consist of a notice of intent to dismiss for lack of prosecution. Upon dismissal, a notice of final action will be e-mailed, mailed, or deposited in counsel's box.

RULE 7
CIVIL MOTION PRACTICE

Motions. All motions, unless made during a hearing or at trial, shall be in writing and shall be filed with the clerk. An original shall be filed and shall be accompanied by or contain a brief or memorandum suggesting the reasons and authorities in support.

A party opposing a motion other than one to dismiss, one for summary judgment, or post judgment relief under Chapter 60, Article 16 shall, within fourteen (14) days after service of the motion upon it, file an original with the clerk and serve upon all other parties a written response to the motion containing a short, concise statement of his opposition to the motion, and if appropriate, a brief or memorandum in support thereof. A party shall have twenty-one (21) days to respond to a motion to dismiss or for summary judgment. The party may, within fourteen (14) days after the

Hearings. No contested hearing shall be scheduled on any regular docket without the specific approval of the Judge who has been assigned to hear that particular case. If oral argument or a fact hearing is allowed by the Court, after request by counsel, the Court will set the matter specially for hearing. At any time after the expiration of the initial response time to a motion when no request for a hearing or oral argument has been granted, the motion shall be deemed finally submitted for decision.

Exceptions. The exceptions to the above are as follows:

- (1) Initial applications to the court for additional time to plead which do not request extensions in excess of thirty (30) days will be ruled on instantly without supporting memoranda and without awaiting responses from adverse parties.
- (2) Motions which show on their face factual authorities sufficient to support the relief requested do not require additional memoranda. (Motions and supporting memoranda may be combined and where combined should be so labeled.)
- (3) Motions accompanied by an agreed order will be ruled on without further supporting or responsive memoranda.
- (4) Preliminary domestic motions may be supported and opposed by affidavits in lieu of or in addition to other memoranda.
- (5) Contested motions for change of an ex-parte temporary custody order.

Chambers Copies. A copy of every civil brief, motion and response and reply filed with the clerk must be simultaneously emailed, mailed or delivered to chambers of the judge assigned to hear the case.

Time Computations. The provisions of K.S.A. 60-206 shall govern the computation of the time periods set forth in this rule.

General. Any motion may be dismissed by the Court for failure to comply with the requirements of this rule.

**RULE 8
MOTIONS TO RECONSIDER**

A motion to reconsider is in substance, if not form, a motion to alter or amend under K.S.A. 60-259(f) and will be addressed accordingly.

**RULE 9
PLEADINGS**

All pleadings and other documents requested to be filed with the Court shall comply with the requirements of Kansas Supreme Court Rule 111 et seq.

All pleadings and other documents requested to be filed with the Court shall have one inch margins.

Effective June 6, 2016, all pleadings and other documents requested to be filed with the Court shall be electronically filed and shall comply with the requirements of Kansas Supreme Court Rule 122.

**RULE 10
FUNDS HELD BY THE CLERK**

General. A Judge of the District Court may order that any monies in actions pending before the Court be invested in any local financial institution for safe keeping. As an alternative to investing said funds, a Judge may also order that any such funds be held by the Clerk of the District Court in existing accounts.

If the funds are to be invested, the Court order for investment may specify that the attorney holding the monies shall be responsible for opening an interest bearing account in such financial institution for deposit of said funds prior to determination of ownership by the Court. Proof of such investment must be placed in and become a part of the court record and be retained by the Clerk of the District Court.

Upon final determination by the Court as to the ownership of such funds, an order must be drawn directing the attorney who made the original investment to pay out all proceeds to the designated parties. Interest received from any investment of funds shall become the property of the person or persons found to be the owners of the monies by the Court unless otherwise ordered.

Endorsement without Recourse. When payment for temporary orders or judgments are made by check and received by the district court clerk's office, the clerk is authorized

to endorse the check to the proper person "without recourse".

RULE 11 DEPOSITIONS AND INTERROGATORIES

Depositions. Counsel are expected to cooperate with, and be courteous to each other and deponents. Counsel are further expected to cooperate in selecting the least expensive and least disruptive manner of conducting the deposition. Counsel should consider such cost saving methods as telephone depositions, and sharing of expenses in bringing an out-of-state witness to Kansas for the deposition rather than all counsel traveling to the out-of-state location.

Unless contrary to, or inconsistent with an order of the Court, the parties (and, when appropriate, a non-party witness) may stipulate in any suitable writing to alter, amend, or modify any practice relating to noticing, conducting, or filing a deposition. Stipulations for the extension of discovery deadlines set by the Court shall be set forth in an agreed order to be approved by the Court.

Absent extraordinary circumstances, counsel shall consult in advance with opposing counsel and proposed deponents in an effort to schedule depositions at mutually convenient times and places. (Reasonable notice for the taking of depositions shall be ten (10) days.) Depositions shall be scheduled to conform to normal business hours of 9:00 a.m. to 5:00 p.m. Monday through Friday unless otherwise mutually agreed by all counsel and the witness. The most convenient location for a party's deposition shall be presumed to be in the office of that party's counsel. Except for the principal plaintiff, defendant or key experts, the fact that some counsel may be unavailable shall not, in view of the number of attorneys involved in the litigation, be grounds for postponing a deposition if another attorney from the same firm is able to attend. (Unless by agreement of counsel or leave of court is first obtained, at least ten (10) days notice of any deposition shall be given.)

Unless otherwise mutually agreed by the parties, or ordered under K.S.A. 60-226(c), depositions may be attended by counsel of record, members and employees of their firms, attorneys specially engaged by a party for purpose of the deposition, the parties or the representative of a party, and counsel for the deponent. While a deponent is being examined about any stamped confidential document, or the confidential information contained therein, persons to whom disclosure is not authorized under the Confidentiality Order shall be excluded.

The only objections that should be raised at the deposition are those required to be made under K.S.A. 60-232(d)(3) in order to preserve the objection or to preserve a privilege, judicial limitations, or opportunity to seek court protection.

Objections on other grounds are unnecessary and should generally be avoided. Relevance and materiality are not appropriate grounds for objection. All objections should be concise, stating the basis of the objection and nothing more than is necessary to preserve the objection and must not suggest answers to (or otherwise coach) the deponent. Argumentative interruptions will not be permitted.

Directions to the deponent not to answer are improper except on the ground of privilege to enforce a judicial limitation or to enable a party or deponent to present a motion to the Court for termination of the deposition on the ground that it is being conducted in bad faith, or in such a manner as unreasonably to annoy, embarrass, or oppress the party or the deponent. When a privilege is claimed, the witness should nevertheless answer questions relevant to the existence, extent, or waiver of the privilege, such as the date of a communication, who made the statement, to whom the contents of the statement have been disclosed, and the general subject matter of the statement.

Private conferences between deponents and their attorneys during the actual taking of the deposition are improper except for the purpose of determining whether a privilege should be asserted. Unless prohibited by the Court for good cause shown, such conferences may, however, be held during normal recesses and adjournments.

Production of Documents: Witnesses subpoenaed to produce numerous documents must be served at least thirty (30) days before the scheduled deposition unless the witness agrees to a shorter time period. Depending upon the quantity of documents to be produced, some time may be needed for inspection of the documents before the interrogation commences.

Confidentiality Order: A copy of any Confidentiality Order shall be proved to the deponent before the deposition commences if the deponent is to produce or may be asked about documents which may contain confidential information.

Depositions of Witnesses Who Have No Knowledge of the Facts: An officer, director or managing agent of a corporation, partnership, association, other organization or a government entity served with a notice of a deposition or subpoena regarding a matter about which such person has no knowledge, may submit to the noticing party, a reasonable time before the date noticed, an affidavit so stating and identifying a person within the corporation or government entity believed to have such knowledge. Notwithstanding such an affidavit, the noticing party may proceed with the deposition, subject to the right of the witness to seek a protective order. A public or private corporation, partnership, association, other organization or governmental entity, noticed as the deponent under K.S.A. 60-230(b)(6) shall designate the person to be deposed as the representative of the entity who has the most knowledge

regarding the subject matter on which the examination is requested.

Expert Witnesses: Leave of the court is not necessary in order to depose expert witnesses in addition to, or in lieu of, discovery through interrogatories. Objection to such depositions may be made by motion. Experts shall, upon written request without the necessity of a subpoena, bring to the deposition, the expert's written report, complete file, documents or other materials reviewed and billing records regarding the compensation to be paid for the study and testimony.

Videotaped Depositions: By indicating in its notice of a deposition that it will record the deposition by videotape, a party shall be entitled to videotape the deposition pursuant to the following terms and conditions. The videotaped deposition shall be simultaneously recorded stenographically by a qualified court reporter. The court reporter shall, on camera, administer the oath or affirmation to the deponents. The written transcript by the court reporter shall constitute the official record of the deposition for purposes of K.S.A. 60-230(e) (submission of witness) and K.S.A. 60-230(f) (filing; exhibits). The requesting party shall bear the expense of the videotaping. Any party may at its own expense obtain a copy of the videotape and the stenographic transcript. Requests for taxation of these costs and expenses may be made at the conclusion of the litigation in accordance with applicable law. The operator(s) of the videotape recording equipment shall be subject to the provision of K.S.A. 60-2288 unless otherwise agreed by the parties. At the commencement of the deposition, the court reporter shall swear or affirm to record the proceedings fairly and accurately. Each witness, attorney, and other person attending the deposition shall be identified on camera at the commencement of the deposition. Thereafter, only the deponent (and demonstrative materials used during the deposition) will be videotaped. The deposition will be conducted in a manner to replicate, to the extent feasible, the presentation of evidence at a trial. Unless physically incapacitated, the deponent shall be seated at a table or in a witness box except when reviewing or presenting demonstrative materials for which a change in position is needed. To the extent practicable, the deposition will be conducted in a neutral setting, against a solid background, with only such lighting as is required for accurate video recording. Lighting, camera angle, lens setting, and field of view will be changed only as necessary to record accurately the natural body movements of the deponent or to portray exhibits and materials used during the deposition. Sound levels will be altered only as necessary to record satisfactorily the voices of counsel and the deponent. Eating and smoking by deponents or counsel during the deposition will not be permitted.

The videotape shall run continuously throughout the active conduct of the deposition. Videotape recording will be suspended during all off the record discussions.

Re-reading of questions or answers, when needed, will be done on camera by the stenographic court reporter.

The party requesting the videotape deposition shall preserve custody of the original videotape in its original condition until further order of the court. No part of a videotaped deposition shall be released or made available to any member of the public unless authorized by the Court.

Requests for pretrial rulings on the admissibility of evidence obtained during a videotaped deposition shall be accompanied by appropriate pages of the written transcript. If the objection involves matter peculiar to the videotaping, a copy of the videotape and equipment for viewing the tape shall also be provided to the Court.

A party desiring to offer a videotaped deposition at trial shall be responsible for having available appropriate playback equipment and a trained operator. After the designation by the parties of the portions of a videotape to be used at trial, an edited copy of the tape, purged of unnecessary portions (and any portions to which objections have been sustained), shall be prepared by the offering party to facilitate continuous playback, but a copy of the edited tape shall be made available to other parties at least ten (10) days before it is used, and the unedited original of the tape shall also be available at the trial.

The parties and deponents are authorized and encouraged to waive transcription and filing of depositions that prove to be of little or no usefulness in the litigation or to agree to defer transcription and filing until the need for using the deposition arises.

Disputes During Depositions: Disputes arising during depositions that cannot be resolved by agreement and that, if not immediately resolved, will significantly disrupt the discovery schedule or require a rescheduling of the deposition, may be presented by telephone to the Court. The presentation of the issue and Court's ruling will be recorded as part of the deposition by the court reporter taking the deposition.

Interrogatories: Except by order of the Court, a party shall, without the receipt of formal discovery requests, provide to the other parties answers to standard interrogatories and responses to standard requests for production of documents properly requested by the other parties. The responding party shall print copies of the interrogatory questions and requests for production with the respective answers and responses and serve the questions, answers, requests and responses on all parties of record. No more than thirty (30) questions, including sub parts, and thirty (30) requests for production, may be requested without leave of Court. The responding party shall have thirty (30) days from the date the letter is served in which to provide the information

requested. Additional interrogatories, including case specific interrogatories, or requests for production of documents, other than those contained in this rule, may be served when appropriate.

With respect to the information that falls within the scope of the preceding section, the Court will strictly enforce these written requests for information and will not entertain objections to the production of non-privileged information sought unless it falls within the scope of K.S.A. 60-226(c). Extensions of time in which to provide this information will be granted only in extreme cases where substantial hardship exists. Failure to timely provide the information required may result in the imposition of sanctions without the necessity of a motion to compel.

RULE 12

CIVIL CASE MANAGEMENT INCLUDING PRETRIAL CONFERENCE PROCEDURE

The following rules apply to all Chapter 60 civil actions except by order of the Court upon motion. The Court upon motion may order that these rules may be supplemented in complex civil cases, cases involving a large number of legal issues or parties, cases in which geographic considerations may delay the discovery process or any other case which the Court finds in its discretion would not be susceptible to proper management under these rules.

Case Management and Scheduling: A case management conference will be held in every contested civil case with the exception of domestic relations cases. A case management checklist shall be completed by counsel of record and those parties representing themselves prior to the conference. The case management checklist shall be filed with the court and copies provided to all opposing counsel no later than three (3) days before the case management conference (See appendix B for Case Management Checklist). In addition thereto counsel for all parties shall confer in an attempt to arrive at an agreed case management order. The order shall schedule all discovery for completion. Counsel shall schedule a conference call with the Judge of the division in which the case is pending to obtain a date for a case management conference. With approval of the Court the case management conference may be conducted by telephone. The case management/scheduling order shall then be filed within ten (10) days of the conference. Counsel shall exercise reasonable efforts in attempting to agree upon a scheduling order. Failure or refusal to confer may result in the issuance of sanctions.

Duty to Confer on Discovery Disputes: Except as otherwise ordered, the Court will not entertain any motion under K.S.A. 60-237 unless counsel for the moving party has conferred with or has made a good faith effort to confer with opposing counsel concerning the matter in dispute prior to the filing of the motion. Counsel for the

moving party shall submit a certificate of compliance with this rule with any motion filed under K.S.A. 60-237. All motions filed under K.S.A. 60-237 shall be filed and served within thirty (30) days of the default or the service of the response, answer, or objection which is the subject of the motion, unless the time for the filing of such motion is extended for good cause shown, or the objection to the default, response, answer or objection shall be waived.

Comparative Negligence Actions: With respect to comparative negligence actions, if any party is claiming the fault of another individual or entity to be compared, then, if requested, an identification of such person or entity shall be made no less than thirty (30) days before the close of non-expert discovery. If no such identification is timely made, the fault of such persons or entities will not be allowed except upon motion and order of the court finding good cause as to why the identification could not have been timely. In the event this identification designates persons or entities not already investigated through discovery the court shall allow any other parties additional time in which to complete necessary discovery with respect to such individuals or entities. Nothing in this provision shall prevent any party from seeking leave of court for an earlier identification if the interests of justice so require.

Pretrial Conference Procedure. A pretrial questionnaire from each party in the form pre-approved by the Court shall be exchanged among the parties and furnished to the Court at least seven (7) working days prior to the pretrial conference (See Appendix C for form). Failure to timely exchange pretrial questionnaires and submit them to the Court may result in the imposition of sanctions. Likewise, if a party fails to appear in person or by counsel at a pretrial conference, after notice, an ex parte hearing may be held and appropriate judgment entered. Chambers copies of all pretrial questionnaires shall be provided within the time limitations set forth above.

The parties are encouraged to agree and resolve as many issues as possible and submit an agreed upon Pretrial Order. If issues remain in dispute they shall be set out in the Pretrial Questionnaire and will be resolved at the pretrial conference. Ordinarily discovery shall have been completed at the time of hearing. If additional witnesses or evidence are discovered after the Pretrial Conference, the discovering party shall immediately make this known to all parties and to the court in writing. Parties are not necessarily required to attend the pretrial hearing unless ordered to do so by the court. The pretrial hearing must be held at least thirty (30) days prior to trial. Objections to the Pretrial Order must be made in writing and forwarded to the court within five (5) days of the hearing.

The pretrial conference shall be conducted substantially in conformity with the following procedural steps:

1. The parties shall state concisely their factual contentions and the theories supporting their claims, defense, and claims for relief.
2. The parties shall state their understanding as to the issues of law.
3. The parties will inform the court as to any proposed amendments to the pleadings. The court may rule upon any proposed amendments.
4. Court and counsel will confer as to matters not disputed and requests will be made for admissions and stipulations.
5. Pending motions shall be enumerated and anticipated motions shall be stated.
6. Limitations, identification and number of experts and other witnesses shall be discussed. Supreme Court Rule 140(g)(5) requires counsel both to name witnesses, and to state the essence of their testimony, especially if those witnesses have not been deposed. Ordinarily, only witnesses listed pursuant to the pretrial order may be called to give testimony at trial. However, the court may, in its discretion, permit a party to call a witness not listed by that party or any party under such circumstances as the court deems just.
7. Exhibits intended to be offered at trial will be identified. It is not necessary that the exhibits be displayed at the pretrial conference, however, if an exhibit was not disclosed at pretrial, and listed in the order, the court may refuse its admission.
8. A determination as to whether the case is for trial to the court or to a jury shall be made. If the trial is to be to a jury a stipulation as to the number of jurors will be entered.
9. The position of the parties relative to settlement shall be considered and the possibility of settlement explored, including the feasibility of a settlement conference, summary trial, mediation, arbitration, or other alternative methods of dispute resolution.

The pretrial order, when approved by the court and filed with the clerk, will control the subsequent course of the action unless modified by consent of the parties and the court, or by an order of the court to prevent manifest injustice.

Punitive Damages Requested: K.S.A. 60-3703 requires that any motion seeking punitive damages be filed on or before the date of the pretrial conference.

If an objection is filed, the clerk shall not release any records submitted until further order of the court. In the event the non-party witness sends the documents requested to counsel rather than to the clerk, it shall be the duty of counsel to immediately forward the original documents to the clerk. Copies will be made by or under the supervision of the Court Clerk.

RULE 14
RULES REGARDING EXPERT WITNESSES

At the case management conference, or thereafter, the Court may limit the number of expert witnesses to be called by each party to avoid repetition and unnecessary expense. As set forth in these rules the Court shall determine the time that identification of experts will be made by the parties.

At the time of nomination the parties shall comply with the provisions of K.S.A. 60-226(b)(6) with respect to the disclosure of expert testimony. A written report signed by the witness shall be furnished to all parties of record which shall contain a complete statement of all opinions to be expressed and the basis and reasons therefore. The disclosure shall include a current curriculum vitae setting out the qualifications of the expert and identifying all published and unpublished writings of the expert pertaining to the expert's opinions in the case. The disclosure shall also identify all other data, writings or exhibits upon which the expert relies upon to support his or her opinions in the case. Published writings may be identified by citation. Copies of the expert's unpublished writings shall be furnished with the report.

At the status conference, or thereafter, the Court may explore with counsel the possibility of using alternative means of discovery of the opinions of expert witnesses, however, the parties shall retain the right to depose opposing experts.

Treating physicians may be identified as experts without the necessity of a full disclosure as set forth in this rule. However, if counsel anticipated using them for opinions other than uncontested causation, the nature and extent of the injury, and the reasonableness and necessity of medical treatment and expenses, then full disclosure as an expert shall be made. Lawyers have a right to interview a treating physician after the physician-patient privilege is waived by the filing of a lawsuit, provided the physician is supplied with a written consent waiving the privilege by the person holding the privilege or by order of the Court. A treating physician may be interviewed outside the presence of parties or other counsel, provided the treating physician consents to the interview.

In any case in which the condition of a patient, as defined by K.S.A. 60-427(a)(1), is an element or factor of the claim or defense asserted by or on behalf of the patient, the attorneys representing the parties may interview any treating health care provider, as defined by K.S.A. 40-3401, or their employees without leave of the court.

Lawyers may not interview any opposing expert witness who has been retained or specially employed by another party in anticipation of litigation or preparation for trial without either consent of counsel or order of the Court.

RULE 15
SETTLEMENT CONFERENCES

Upon its own motion or upon the motion of a party to a civil action, the court may require the parties, their representatives and attorneys to appear for a settlement conference. The purpose of such a conference will be to explore the possibilities for settling the action and to propose suggestions to assist the parties in negotiation. The attorneys will initiate the scheduling of the settlement conference, which may be set in a court other than that to which a case is assigned or with a private mediator. Reasonable notice of the setting of the settlement conference shall be given to all parties at least five (5) days in advance of the conference. Each attorney shall be prepared to discuss the current position of his or her client with respect to settlement negotiations. No party shall be prejudiced at the trial of the action if settlement negotiations fail. Unless otherwise ordered the pretrial order shall be filed prior to the settlement conference.

RULE 16
EMINENT DOMAIN

Petitioner shall also file a scale drawing or plat of the tract or tracts sought to be taken, which plat shall become a permanent part of the record in such proceedings. The original petition and the plat shall not be loaned out by the Clerk while the matter is pending; but the copy of the petition may be checked out pursuant to court rule.

Promptly upon the expiration of time to appear, counsel for petitioner shall prepare an order for the distribution of funds for each tract upon which no appeal has been taken.

RULE 17
REQUESTED JURY INSTRUCTIONS

At the discretion of the judge assigned to the case counsel may be required to submit agreed instructions and verdict forms. Any proposed instructions that remain in dispute shall be ruled upon by the court. However, the Court may receive additional requests relating to questions arising during the trial at any time prior to the giving of final instructions. Pattern jury instructions may be requested by title and number. Requested instructions altering pattern jury instructions shall show the

deleted text and the new language requested shall be underlined. Jury instructions based upon statutes or case law shall include the citation of authority at the end of the requested instruction.

Further, it shall be the duty of said party to prepare and provide any other document which the clerk reasonably requests to effect conclusion of the case such as Order to Pay Out and the like.

RULE 19
CIVILITY

All attorneys and pro se litigants shall comply with Kansas Supreme Court Rule 161 (Courtroom Decorum).

All attorneys and pro se litigants shall comply with the Kansas Rules of Professional Conduct as adopted by Kansas Supreme Court Rules 226 et seq.

within a specified time shall show: (1) when there was a prior consultation with opposing counsel, which is required, and the views of opposing counsel; (2) the date when the act was first due; (3) if prior extensions have been granted, the number of extensions granted and the date of expiration of the last extension; (4) the cause for the requested extension. Extensions will not be granted unless the motion is made before the expiration of the specified time, except upon a showing of excusable neglect; and if for extension of discovery, compliance with K.S.A. 60-216(b). Stipulations for extensions of time are subject to the approval of the court.

Motions to continue a pretrial conference, a hearing on a motion, or the trial of an action must be filed with the clerk reasonably in advance of the hearing date and shall reflect the views of opposing counsel. Continuances may not be granted upon stipulation of counsel without court approval or prior knowledge.

RULE 21 DOMESTIC RELATIONS CASES

Captions in Divorce Cases. The caption in divorce cases shall have both the petitioner's and respondent's full name pursuant to K.S.A. 60-210. Filings will not be accepted if legal names are not in the caption.

Ex Parte Orders. In domestic cases, motions for ex parte orders pursuant to K.S.A. 23-2707 shall be presented upon verified motion or application. Ex parte orders shall not be sought when the adverse party has counsel of record or is formally acting *pro-se*. Ex parte restraining orders shall be mutual to both parties concerning financial and personal matters. If an interlocutory order for legal custody, residency, or parenting time is sought, the party seeking the order shall file a proposed temporary parenting plan at the time the order is sought. The plan shall be served with any temporary orders. A temporary parenting plan is defined to mean an agreement or order issued defining the legal custody, residency, and parenting time to be exercised by parents with regard to a child between the time of filing of a matter in which a parenting plan may be entered, and any other provisions regarding the child's care which may be in the best interest of the child, until a final order is issued. A temporary parenting plan shall include, but not be limited to, the following provisions:

Designation of the temporary legal custody of the child;

Designation of a temporary residence for the child;

Allocation of parental rights and responsibilities regarding matters pertaining to the child's health, education, and welfare; and

A schedule for the child's time with each parent, when appropriate.

If the court is asked to issue an *ex parte* order modifying a final custody or residential placement order based on emergency circumstances, court and counsel shall attempt to have the non-moving party's counsel, if any, present before taking up the matter and shall set the matter for review hearing at the earliest possible court setting after issuance of the *ex parte* order, but in no case later than fifteen (15) days after issuance, and require personal service of the order and notice of review hearing on the nonmoving party.

Supporting Documents Required for Interlocutory Orders. All motions for temporary and permanent child support shall be accompanied by an Affidavit according to Supreme Court Rule 139 and Child Support Worksheet according to Supreme Court Administrative Order 107.

Any party requesting an *ex parte* interlocutory order affording extraordinary relief such as sole custody or supervised parental access may be required to present testimony to the Court. In any event counsel making such a request shall have their client present at the courthouse when the proposed order is presented to the Judge.

Temporary Maintenance. The court's approach to temporary maintenance is to allocate from the parties' joint net income amounts for their rent or house payments, assign responsibility for payments to creditors, provide for child support to the residential parent, then equally divide the funds available. These calculations require use of the total net income of both parties and can be made on Worksheet T. See Appendix D.

Health insurance for the parties only should be provided, either as a deduction from gross income or assigned as a monthly payment. Usually, it is best to keep existing health insurance in place. If the cost of health insurance is paid through a payroll deduction, use the payor's net income after the deduction.

Frequently, due to the amount of debt and the increased expenses of dividing the household, there will not be sufficient funds to pay for separate shelter for each party and to pay all creditors. In those cases, payments on some debts must be delayed and/or the parties must temporarily arrange to live with friends or relatives. Generally, the court will attempt to allow a minimum of \$400 per month to each party for personal discretionary spending over the amounts allocated for shelter, child support and assigned debts.

The temporary maintenance orders are entered for the purposes of providing for the parties' needs for several weeks during the pendency of the proceeding. The purpose of temporary maintenance is different than the factors which support an award of permanent maintenance and therefore the amounts will usually be different.

When calculating temporary maintenance with the use of Worksheet T, the parents' total child support obligation entered on line 3 of Worksheet T shall be the amount as determined on line 6 of the Kansas Child Support Worksheet. However, when calculating the parents' total child support obligation on the Child Support Worksheet, no adjustments to the Domestic Gross Income shall be made for temporary maintenance paid or temporary maintenance received on lines C3 and C4 of the Child Support Worksheet, as the parties' income has already been equalized on Worksheet T. Additionally, no income should be imputed to a party in the preparation of a Worksheet. See Appendix D.

Modification of Ex Parte Orders. Requests to vacate or modify ex parte orders obtained under this rule shall be made by written motion and shall comply with Supreme Court Rule 139. **If any motion is filed to modify an interlocutory order for legal custody, residency, or parenting time, or is filed in opposition to a request for the issuance of ex parte orders, that party shall attach to such motion, or opposition, a proposed alternative parenting plan during the pendency of the action.**

Documents Required. In all domestic actions, counsel or *pro se* litigants shall bring to the final hearing /have previously filed (1) a proposed form of divorce decree if the case is uncontested; (2) a domestic relations affidavit; (3) if children are involved, a completed Child Support Worksheet required by Supreme Court Administrative Order 107, and a proposed or agreed upon **PARENTING PLAN** the requirements of which are set forth below, and (4) the State of Kansas Department of Health and Environment Vital Statistic form. **The journal entry will not be filed by the Court until all of these documents are furnished.**

Parenting Plans. If both parents have submitted an agreed upon parenting plan, that plan will be presumed to be in the best interests of the child. This presumption may be overcome and the court may make a different order if the court makes specific findings of fact stating why the agreed parenting plan is not in the child's best interests. If the parties are not in agreement on the parenting plan, each party must submit a proposed parenting plan for the court's consideration prior to the final hearing. The development of the **PARENTING PLAN** will be an issue for the parties to address through mediation.

A **PERMANENT PARENTING PLAN** is defined to mean an agreement between the parents which is incorporated into an order at a final hearing or an order or decree issued at a final hearing without agreement that establishes legal custody, residency, parenting time, and other matters regarding a child custody arrangement in a matter in which a parenting plan may be entered. The objectives of a parenting plan include the following: to establish a proper allocation of parental rights and responsibilities, to establish an appropriate working relationship between parents regarding the child,

to provide for the child's physical care, to set forth an appropriate schedule of parenting time, to maintain the child's emotional stability, to provide for the child's changing needs as the child grows and matures in a way that minimizes the need for parental conflict, to encourage parents to meet their responsibilities through permanent parenting plan agreements rather than relying on judicial intervention, and to otherwise protect the best interests of the child.

The court will develop a permanent parenting plan when the parent or parents are unable to develop a parenting plan. **All** permanent parenting plans must set forth the following minimum provisions:

Designation of the legal custodial relationship of the child; and

A schedule for the child's time with each parent, when appropriate; and a provision for a procedure by which disputes between parents may be resolved without court intervention.

A detailed permanent parenting plan shall include the above items and may also include the following types of provisions:

Residential schedule, and holiday, birthday, and vacation planning;

Weekends, including holidays and school in service days preceding or following weekends;

Allocation of parental rights and responsibilities regarding matters pertaining to the child's health, education, and welfare;

Sharing of, and access to, information regarding the child;

Relocation of parents;

Telephone access;

Transportation; and

Methods of resolving disputes.

The Clerk of the District Court may supply forms and information prescribed by the Supreme Court of the State of Kansas, which may be used for submission of temporary and permanent parenting plans.

Motions to modify final orders of child custody or residential placement. Motions to so modify must strictly comply with the requirements of K.S.A. 23-3219. Any such motions must include with specificity all known factual allegations which constitute the basis for requesting the change. If the court finds that the allegations set forth in the motion or the accompanying affidavit fail to establish a *prima facie* case, the motion may be denied without hearing. If the court finds that the motion establishes a *prima facie* case, the matter may be tried on the issues.

Required Contents of Motion. Required Contents of Motion. The motion must include a certification that the movant has in good faith conferred or attempted to confer with the opposing party or counsel, as the case may be, in an effort to reach agreement without court action and must describe the steps taken by all attorneys or unrepresented parties to resolve the issues in dispute.

Unless otherwise ordered, the court will not entertain any motion to modify custody or residency unless counsel for the moving party has at least informally conferred or has made good faith reasonable effort to confer with the opposing party or opposing counsel concerning the matter in dispute prior to the filing of the motion. Counsel for the moving party or the self-represented litigant shall file a certificate of compliance with this rule as part of the motion describing the steps taken to resolve the issues in dispute.

Good Faith Reasonable Effort Defined. A "good faith reasonable effort to confer" means more than mailing or faxing a letter to the opposing party or sending a text or email message or leaving a voice mail message. It requires the parties in good faith converse, confer, compare views, consult and deliberate, or in good faith attempt to do so.

Exceptions to the Rule. A party may be excused for the provisions of this rule where an emergency exists such that the health, safety and/or welfare of a child is in immediate jeopardy, provided that the motion sets out in detail sufficient facts to all the court to determine the nature and extent of the claimed emergency.

14. New Year's Eve and New Year's Day: From 7:00 p.m. December 30 until 7:00 p.m. on the evening before school resumes with parent B in even numbered years and parent A in odd numbered years.
15. Parent's Birthday: The child shall spend part of the day (a minimum of three hours) with the respective parent on that parent's birthday.
16. Child's Birthday: The child shall spend the child's birthday with parent B in even numbered years and with parent A in odd numbered years. The child shall spend the day before or the day after child's birthday with the other parent.

17. Vacation: After 30 days advance notice and consultation with the other parent, each parent may arrange to take a vacation trip with the child for a period not exceeding 14 days.
18. Conflicts and Good-faith Considerations:
 - a. Birthday - Holiday. Conflicts between a holiday and a birthday shall be resolved in favor of the holiday schedule. However, the parties are directed to be flexible in allowing the birthday to be celebrated before or after the holiday period.
 - b. Weekend - Holiday. Conflicts between weekends and holidays shall be resolved in favor of the holiday schedule.
 - c. Weekend. The schedule of weekend parenting time shall be determined without regard to whether the regular schedule has been preempted for time to time by one of the scheduled holidays. There shall be no adjustment for "missed" weekends due to interruption by the holiday visitation schedule, however, the parties are encouraged to compensate for missed parenting time to a non-residential parent will not go three weekends without seeing the child.
 - d. Adjustments. It is expected that parents will exercise good faith with each other and act in the best interests of their child(ren) so that each parent can have a full and active participation in the lives of their child(ren). Any parenting plan or schedule, for example, should take into consideration the age of the child. For infants and preschool children, consideration should be given to scheduling more frequent but shorter contacts with parent B during the week on a routine and consistent basis. Consideration should also be given to older adolescents whose personal schedules may interfere with these guidelines.
19. Telephone and Internet Communication: Telephone calls and Internet communication between parent and child should be liberally permitted at reasonable hours and at the expense of the calling parent. Weekly telephone communication with the child should be permitted.
20. Mail and e-mail Contact: Parents and children should have an

unrestricted right to send cards, letters, packages, audio, video and e-mail communications to each other. Neither parent should interfere with this right.

21. Long Distance Parenting: When there is a significant geographical distance separating the two parents, parenting plans should provide for the following:
 - a. Weekly telephone contact.
 - b. Longer periods of parenting time during school holidays.
 - c. Extended summer residency for school age children.
 - d. The parent having residency where the child goes to school shall send school records, school calendars, school photographs, activities schedules, report cards, standardized test results, etc. on a frequent basis to the other parent.

Docket Fee - Post Decree. A post decree motion petitioning for a change in legal custody, residency, visitation rights, or parenting time, or for a modification of child support, requires the payment of a docket fee.

RULE 22 PROSECUTION OF DIVORCES PRO-SE

All pro se litigants filing any domestic action or as a party in any domestic action shall comply with all applicable Kansas laws and Kansas Supreme Court rules and, if applicable, Local Rule 21.

It is not the duty of the Judge or Court personnel to assist a pro se litigant. Kansas law prohibits the Court from treating a pro se litigant differently than a party represented by an attorney.

The Clerk of the District Court shall provide each pro se litigant with a copy of this rule either prior to or at the time such litigant attempts to file a pro se divorce action.

A pro se litigant filing a divorce action shall comply with all of the requirements for filing of the appropriate documents. Standardized forms for pro se litigants may be found at the Kansas Judicial Council website under legal forms (www.kansasjudicialcouncil.org).

A pro se litigant must properly present their case and, if in a divorce action, must be

prepared to submit the required completed documents to conclude the case including the final Decree of Divorce, Permanent Parenting Plan, Child Support Worksheet, Income Withholding Order and Worksheet for Divorce or Annulment Registration at the time of final hearing. Failure to comply with this rule may result in the case being continued or dismissed by the Court.

RULE 23
MEDICAL MALPRACTICE SCREENING PANEL

Any party filing a request for medical malpractice screening panel shall file with the request:

A short statement explaining the basic medical failures alleged and the nature of the alleged injury. (That defendant was negligent or deviated from care generally is not sufficient. There must be some identification of the claimed injury and some brief statement of the suspected departures from standard practice.) This statement shall not be binding or limit the plaintiff from other allegations which become known thereafter.

An order signed by counsel and ready for the court's signature authorizing the release of medical records and x-rays, etc. to counsel for all named defendants. (The names of counsel need not be specified as they will be unknown at that time.)

A list of all health care providers who have rendered treatment to the plaintiff within the preceding five (5) years, including all hospitals where plaintiff received any treatment. To the extent possible, full names and addresses shall be provided. The above list shall include the plaintiff's date of birth.

Along with the notice convening the screening panel, the court shall provide to the parties copies of all additional documents required to be filed by these rules, including a certified copy of the order for production of medical records, and a notice of a status conference.

The court shall hold a status conference in all screening panel cases. Counsel for the parties and the chairperson shall appear and a schedule shall be established for the submission of records, contentions and the preliminary conference of the panel.

Except by agreement of all parties, no affidavits from the parties nor any "expert opinions," nor depositions taken in the case shall be submitted.

The chairperson shall provide a file-stamped copy of the opinion of the panel to

counsel for all parties and the Commissioners of Insurance as administrator of the Health Care Stabilization Fund.

**RULE 24
NOTICE OF BANKRUPTCY STAY**

Any party, or counsel for the same, to a civil case pending in the 6th Judicial District who files a bankruptcy case shall file a written notice thereof with the Clerk of the Court wherein the civil proceeding is pending within ten (10) days of the filing of the bankruptcy petition. The written notice shall be filed under the caption and number of the civil case and have attached to it a certified copy of the bankruptcy petition or other documents evidencing the filing of the bankruptcy case. Said party shall mail a copy of the notice to all other interested parties and the presiding judge.

If a hearing or trial is scheduled to occur within ten (10) days of the bankruptcy case filing, in addition to the written notice required above, the filing party shall immediately give oral notice to all other parties and to the presiding judge.

Upon termination of the stay, any party may move to reactivate the case.

Any of the foregoing rules shall in special cases be subject to such modifications as the judge may deem necessary to meet emergencies or to avoid injustice or great undue hardship.

**RULE 25
PLEADING JUDGMENT AMOUNTS AND INTEREST**

When presenting an order of judgment to the court, the presenting attorney shall set out the amount of the original judgment sum itself and separately set out the amount claimed as interest on the judgment, particularly detailing the pre- and post-judgment amounts and the interest rate and time periods that are claimed to be applicable.

**RULE 26
CRIMINAL CASE PROCEEDINGS**

Motions to Continue Criminal Hearing. Any party requesting a continuance of a criminal hearing shall prepare and file with the court a Motion for Continuance which shall be approved by the District Judge assigned to the case.

The motion shall include the position of: (1) the written waiver of speedy trial

by the defendant, if the request is to continue or affect a trial setting; (2) the position of other counsel requesting the continuance, including counsel representing any co-defendant's; and (3) any other requested information.

If the continuance is not opposed then an agreed Order should be submitted and filed. If the request is opposed the matter will be taken up on the next available Criminal Docket assigned to that particular Judge.

All continuances should be accomplished prior to the day of hearing in question, thereby freeing the court's and counsel's schedule in order to attend to other business.

Prosecutor to Track Speedy Trial Time. When any criminal case is scheduled for trial or continued for trial, the prosecutor shall review the speedy trial time elapsed and advise the assigned judge forthwith if the beginning trial date is not within the speedy trial provisions of K.S.A. 22-3402. The Prosecutor is responsible for seeing that criminal trial settings comply with the speedy trial provisions of K.S.A. 22-3402.

Petitions for Expungement. Upon filing a petition for expungement under the Kansas Criminal Code or the Juvenile Offenders Code, petitioner's counsel shall obtain a date and time for hearing from the court and thereafter provide timely written notice to the county attorney. Upon the request of the county attorney, counsel for petitioner shall submit to the presiding judge a proposed order for referral and investigation by the Court Services Office. Copies of the proposed order shall be provided to the county attorney and Court Services Office by petitioner.

Petitioner shall be personally present at the expungement hearing unless specifically excused by the court. Petitioner's attorney shall prepare an appropriate order of expungement and provide the Clerk of the Court with adequate copies for mailing to law enforcement agencies.

Pleas in Felony Cases. In all felony cases, if the defendant elects to enter a plea of guilty or a plea of *nolo contendere* to the charge or charges filed against him, there shall be prepared and submitted to the court a written tender of plea of guilty and an accompanying certificate of counsel or a written tender of plea on *nolo contendere* and an accompanying certificate of counsel in substantially the form attached to this rule. See Appendix F.

If, for good cause shown, the presiding judge finds that the tender of plea form cannot or should not be executed by the defendant, then in such event the court shall make oral inquiry of the defendant in open court concerning the matters contained in the tender of plea form. Said inquiry shall be included verbatim in the journal entry of

the proceeding.

Notice of Duty to Register. It shall be the duty of the State to inform the Court at the outset of any proceeding wherein the defendant is entering a plea to an offense which requires offender registration to notify the Court of the same. The State shall notify the presiding judge of the fact that the offender is required to register pursuant to the applicable statute. The State shall notify the Court of the title and statute number of conviction(s).

It shall be the responsibility of both the State and the defense counsel to fully and accurately complete the "Notice of Duty to Register" and to provide the Court with the original and at least one copy thereof for service on the defendant during said plea hearing. The Notice of Duty to Register shall be the form approved therefore by the Kansas Bureau of Investigation.

Misdemeanor Journal Entries (Computation of Time Served). In every sentencing journal entry in which a defendant has been in custody or is sentenced to jail the journal entry shall reflect the number of days for which the defendant is entitled credit, and the length of the defendant's sentence.

RULE 27 EXTENDED JURISDICTION FOR JUVENILE PROSECUTION

Upon designation as an extended jurisdiction juvenile prosecution pursuant to K.S.A. 38-2347, proceedings shall be transferred forthwith to a district judge (if not already so assigned) for scheduling in due course with the adult criminal process. The respondent shall be entitled to the full protection of the Kansas Code of Criminal Procedure. The district judge of assignment shall schedule such further hearings as necessary to facilitate trial by jury and timely prosecution of the pending charges. In the event of a conviction the case shall remain with the assigned judge for imposition of both an adult and juvenile sanction unless otherwise transferred by order of the chief judge.

RULE 28 LIMITED ACTIONS PRACTICE

Answer Dates. All answer dates in Chapter 61 cases will be on dates established by the Clerk of the District Court. If the defendant fails to appear or answer, default judgment as prayed may be entered against the defendant. Continuance of answer dates will

not be granted. A written general denial is subject to K.S.A. 61-2904, K.S.A. 60-208(b) and K.S.A. 60-211, and amendments thereto.

Continuances. Except to prevent manifest injustice, continuances of a trial setting will only be granted upon written motion and order of the court entered prior to the scheduled time of trial or upon the joint request of all parties.

Journal Entries. It will be counsel's responsibility to ascertain the status of service of process and present a proposed Journal Entry/Judgment Form reflecting service, appearances and the proposed judgment to be entered, if appropriate.

Post Judgment Activity. The plaintiff's attorney, or an authorized representative of plaintiff's attorney, and all defendants are required to appear for all post-judgment activity unless said appearance is excused by the court.

Eviction Cases. Trial dates in eviction cases shall be given upon the filing of an answer. All other trial dates may at the direction of the court be assigned at the answer date. It shall be the responsibility of the plaintiff to timely prosecute the case.

Continuing Effect of Aid in Execution Citations. Aids in execution or citations properly serviced shall not be continued by the Court unless agreed to by all parties or ordered by the Court. The Court has authorized "order backs" in proceedings in aid of execution not more often than every eight (8) weeks, except in exceptional circumstances.

Signed Pleadings. All Chapter 60 and Chapter 61 aids, citations and post judgment papers may bear a computer generated, stamped, or facsimile signature of the attorney.

Automobile Negligence Cases. In cases involving property damage as a result of automobile accidents, the court will enter default judgment for attorney fees as authorized by K.S.A. 60-2006 in a reasonable amount.

Service of Process. Service by tacking is authorized on all Chapter 61 pre-judgment matters and all aids in execution. In cases where attempted service reveals the address furnished for service was not correct, no further attempt at service at that same address shall be made, unless the person or attorney seeking service certifies by letter that they have verified, subsequent to the service attempt, that the address is now good.

Judgment debtors shall be served with an "Order to Appear for Hearing in Aid of Execution" requiring the debtor to appear to give information. The proceeding held pursuant to this order shall permit the plaintiff or counsel for

plaintiff to gather information for the purpose of collecting the judgment.

If the debtor fails to appear for examination as ordered, the debtor may be cited in contempt for Failure to Appear.

These citations shall be personally served and shall be scheduled for hearing on the same docket as other limited actions cases are handled. Absent a judicial finding to the contrary, submitting to the examination shall purge this contempt.

Dismissals. Debtors shall be dismissed from the docket after three months of regular payment, either by income withholding order or by voluntary payment. Application of cash deposit bail bond funds shall not be considered a regular payment. Debtors who have been judicially or administratively determined to be disabled to the extent that they are unable to work or have no other income shall be dismissed from the docket.

Counsel in Contempt Cases. The obligor shall not have counsel appointed if they have sufficient actual or imputed income to employ an attorney. A financial affidavit shall be used to determine the issues of income and indigency. The movant may rebut the obligor's assertions regarding income and indigency by filing a motion to have the Court determine the same.

Bench Warrants, Bonds, Hearings. A bench warrant may be issued if the obligor fails to appear for a contempt hearing. The amount of cash bond for bench warrants upon a first and subsequent failure to appear shall be the amount of the unpaid judgment. If the debtor cannot post a cash bond, the amount of the bond shall be reviewed on a weekly basis.

Multiple Defendants. In multiple defendant cases, if service is made on less than all of the defendants, the plaintiff must elect to proceed against the served defendant(s), dismissing the unserved defendant(s), or allow the case to be dismissed as a whole.

RULE 29 SMALL CLAIMS PROCEDURE

Form of Pleadings. A party to an action filed pursuant to the Small Claims Procedures Act shall set forth the statement of this claim using substantially the same form prescribed in K.S.A. 61-2713.

Signature of Parties. Any pleading or other paper filed by a party in a small claims action

shall be signed by the party filing the same before a person authorized by law to acknowledge signatures.

Responsive Pleadings. Any defendant's claim in a small claims action shall be filed within such time before the scheduled trial date as to allow the plaintiff reasonable time and opportunity to prepare the case as to the defendant's claims.

Case Settings. All small claims cases shall be set on the court's trial docket as soon as reasonably possible after filing, allowing proper time for service of process, and in any event shall be set on the court's trial docket no later than one-hundred twenty (120) days after the original filing date unless otherwise extended by order of the court.

Continuances. Unless by agreement of the parties, continuances of trial settings of small claims cases shall be for good cause only, or as justice shall demand. Parties applying for continuances of trial settings in small claims cases may do so as follows:

1. By filing with the court a written request for continuance setting forth the reasons for the necessity of the continuance, or;
2. By appearing in person before the court on any regularly scheduled small claims court day prior to the scheduled hearing date and orally presenting the reasons for the necessity of the continuance.

Applications for continuances shall be ruled upon by the court as soon as practicable after they are filed and the court shall cause notice to be sent to the parties of the court's decision with regard to the requested continuance.

Dismissals for Lack of Prosecution. Small claims cases may be dismissed by the court for lack of prosecution from time to time upon such terms and conditions and notice as the judge shall prescribe.

Upon dismissal for lack of prosecution, the court shall cause the clerk to mail notice of such dismissal to the parties at their last known mailing addresses appearing in the court file.

Entry of Appearance by Attorney after Judgment. After judgment has been entered, an attorney filing an entry of appearance shall send appropriate notice thereof to the opposing party before appearing on behalf of and/or representing a party to a small claims action.

Appeals. An appeal from any judgment rendered under the Small Claims Procedures Act may be taken pursuant to K.S.A. 61-2709.

Satisfaction of Judgment. Upon payment, in full, of any judgment, it shall be the duty of the judgment plaintiff to prepare and file a satisfaction of judgment.

STATE OF KANSAS,

Plaintiff,

Case No. _____

_____, Defendant.

PETITION TO ENTER PLEA AGREEMENT

The defendant represents to the Court:

2. I am represented by a lawyer, his/her name is: _____ of _____;
3. I have received a copy of the Complaint/Information before being called upon to plead. I have read the Complaint/Information and have discussed it with my lawyer. I fully understand every charge against me;
4. I told my lawyer all the facts and circumstances known to me about the charge(s) made against me in the Complaint/Information. I believe that my lawyer is fully informed on all such matters; and
5. I know that the Court must be satisfied that there is a factual basis for the entry of a guilty plea before my plea can be accepted. I represent to the Court that I am entering a guilty plea in connection with the following charge made against me;

COUNT _____

[type charge set forth in Count, including severity level and minimum and maximum months for sentence]

6. My lawyer has counseled and advised me on the nature of each charge, on all lesser included charges, and all possible defenses that I might have in the case;

7. I know that I have the right to plead "Not Guilty" to any offenses charged against me. If I plead "Not Guilty" I know the United States Constitution guarantees me: (a) the right to a speedy and public trial by a jury; (b) at that trial, and at all stages of the proceedings, the right to the assistance of a lawyer; (c) the right to see and hear all witnesses called to testify against me, and the right to cross-examine those witnesses; (d) the right to use the power and process of the Court to compel the production of any evidence, including the attendance of any witnesses in my favor; (e) the right not to be compelled to incriminate myself by taking the witness stand and if I do not take the witness stand, no inference of guilty may be drawn from such failure; and (f) the right to take an appeal from any conviction after a contested trial;
8. I know that if I enter a guilty plea, I am thereby waiving my right to a trial, and that there will be no further trial of any kind, either before the Court or jury; and further, I realize the Court may impose the same punishment as if I had pled "Not Guilty," stood trial, and been convicted by a jury. I further hereby state and declare that I have been informed by my lawyer that while I do not have a right to appeal a finding of guilty, should I enter a plea of guilty to any charge(s) that I still may retain the right under certain circumstances to appeal any sentence I may receive as a result of my plea of guilty to any charge(s);
9. I know that if I enter a guilty plea, the Court will ask me questions about the offense to which I have plead, and since I will be answering these questions under oath, on the record, and in the presence of my lawyer, that my answers may later be used against me in a prosecution for perjury or false statements;
10. My lawyer informed me that the plea of guilty could subject me to a maximum punishment which, as provided by law, is _____ months imprisonment and a fine not to exceed \$_____ for the offense charged in Count _____ of the Complaint/Information.
11. I have been advised and understand that if I am not a United States Citizen, a conviction of a criminal offense may result in deportation from the United States, exclusion from admission to the United States, and /or denial of naturalization;
12. If I am on felony probation, parole, conditional release, assignment to community services, or post release supervision, my status may be revoked and I may be required to serve time in that case which will be consecutive, that is in addition to any sentence imposed upon me in this case. Further, I understand that should my status be any of those as stated above in this paragraph and the current crime be one for which the sentence is presumptive probation that the presumption of probation is thereby lost due to the reason of my status being either on felony probation, parole, conditional release, assignment to community services, or post release supervision at the time of the commission of the current offense;

13. I declare that no officer or agent of any branch of government (federal, state or local) has promised, suggested, or predicted that I will receive a lighter sentence, or probation, or any other form of leniency if I plead guilty, except as follows: refer to paragraph 15.

If anyone else, including by lawyer, made such a promise, suggestion, or prediction, except as noted in the previous sentence, I know that he had no authority to do so.

I know that the sentence I will receive is solely a matter within the control of the Judge and he/she is not bound by the terms of any plea agreement in regards to sentencing recommendations.

I hope to receive leniency, but I am prepared to accept my punishment permitted by law, which the Court sees fit to impose. However, I respectfully request the Court to consider, in mitigation of punishment, that I have voluntarily entered a guilty plea.

14. I understand that a State probation officer will be assigned to conduct a thorough presentence investigation to develop all relevant facts concerning my case unless the Court finds that there is in the record sufficient Complaint/Information to enable the meaningful exercise of sentencing authority. In determining the sentence to impose, I understand that the Court may take into account all relevant criminal conduct and background characteristics including but not limited to, the recency and frequency of my prior criminal record, whether or not a substantial portion of my income resulted from criminal conduct, my role in the offense, victim-related circumstances, and my acceptance of the responsibility for the offense, may have specific effect on the sentence;

15. My entry of a guilty plea is the result of a plea agreement entered into between the _____ County Attorney, my attorney and myself;

Since my plea is the result of a plea agreement, I hereby state that the terms of said agreement are as follows: [enter terms such as: I will enter a plea of guilty to Count ____ in return for the County Attorney dismissing the remaining charges in Case No. _____ and.]

- I [do, do not] know my criminal history;

The State agrees to [enter elements of agreement such as dismiss the remaining charges in the Complaint/Information in Case No. _____ and agrees to _____.]

[and/or: The State agrees to recommend the average _____ month underlying sentence, suspended, and will not oppose probation; the State further agrees to dismiss the remaining charges in the Complaint/Information.

Accordingly, the State agrees to stipulate that all three mitigating factors exist pursuant to K.S.A. 21-4705(d)(1), (2) & (3) to warrant a non-prison sanction, namely;

- (1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism;
- (2) The recommended treatment program is available and the offender can be admitted to the program within a reasonable period of time; and
- (3) The non-prison sanction will serve community safety interest by promotion offender reformation.]

The State [will, will not] recommend 60 days confinement as a condition of probation.

16. I believe that my lawyer has done all that anyone could do to counsel and assist me, AND I AM SATISFIED WITH THE ADVICE AND HELP HE/SHE HAS GIVEN ME;
17. My mind is clear, I am not under the influence of alcohol or drugs, and I am not under a doctor's care. The only drugs, medicine or pills that I took within the past seven (7) days are: _____;
18. I have never been confined in an institution for the treatment of mental illness. I have never been adjudicated mentally incompetent. No psychiatrist, physician, or psychologist has ever found me to be mentally ill. I know of no reason why my mental competence at the time of the commission of the alleged offense, or at the present time, should be questioned;
19. I offer my plea of guilty freely and voluntarily, and further state that my plea of guilty is not the result of any force or threats against me, or of any promises made to me other than those noted in this Petition. I further offer my guilty plea with full understanding of all matters set forth in the Complaint/Information and in this Petition;
20. I waive the reading of the Complaint/Information in open Court, and I request the Court to enter my guilty plea; and

21. I swear that I have read, understand and have discussed with my attorney each and every part of this Petition to Enter Plea Agreement, and that the answers which appear in every part of this Petition are true and correct.
