

IN THE SUPREME COURT OF THE STATE OF KANSAS

Administrative Order

2020-PR-016

FILED

MAR 18 2020

**DOUGLAS T. SHIMA
CLERK OF APPELLATE COURTS**

**Order Imposing Statewide Judiciary Restricted Operations Due to COVID-19
Emergency**

This order complements Administrative Orders 2020-PR-13 and 2020-PR-15 on actions to mitigate local or statewide outbreak of the COVID-19 disease. This order supersedes any portion of district court orders or prior orders of this court conflicting with this order.

On March 11, 2020, the World Health Organization declared COVID-19 disease a pandemic. On March 12, 2020, Kansas Governor Laura Kelly declared a state of disaster emergency. On March 13, 2020, President Donald Trump declared a national emergency. These declarations warrant extraordinary measures to mitigate COVID-19 spread.

Due to the outbreak of COVID-19, an emergency exists that poses a threat of imminent and potentially lethal harm to vulnerable individuals who may come in contact with a carrier of COVID-19. To date, to the extent possible and consistent with guidance issued by the Centers for Disease Control and Prevention and the Kansas Department of Health and Environment, Kansas courts and judicial offices have remained operational and provided scheduled and required events while balancing the health and safety needs of court visitors and personnel during the early stage of this emergency. But rapid escalation of the emergency requires more comprehensive measures to protect the health and safety of Kansans, including our judicial branch employees and judges. Further, many county commissions across Kansas have closed or are considering closing courthouses.

As the Chief Justice of the Kansas Supreme Court, in consultation with the members of the Kansas Supreme Court, I have determined the following actions are necessary to secure the health and safety of court users, staff and judicial officers:

1. All jury trials, both civil and criminal, scheduled to begin in any Kansas state court on or after the date of this order are continued until further order of the Chief Justice. Questions concerning prospective scheduling of hearing or trial dates should be directed to the assigned judge.
2. Civil and criminal jury trials that are in progress as of March 18, 2020, may continue to conclusion, in the discretion of the assigned judge. The assigned judge

should encourage jurors to follow Centers for Disease Control and Prevention and Kansas Department of Health and Environment guidance on reducing the spread of COVID-19 to the extent possible. The assigned judge should consult with their Chief Judge regarding personnel required to complete the jury trial in progress.

3. Effective upon publication of 2020 House Substitute for Senate Bill No. 102, this order suspends all deadlines and time limitations to bring a defendant to trial established by K.S.A. 22-3402 and its amendments, until further order of the Chief Justice.
4. Other than jury trials in progress, all Kansas district and appellate courts, administrative offices, the Offices of the Clerks of the District and Appellate Courts, and court services offices will be restricted to emergency operations until further order. Each Chief Judge must ensure that information is posted to inform members of the public how to contact court personnel.
5. Emergency operations for the district courts include:
